

Crown Haven Center

... where kids can be kids

Archery Tag

Archery tag is an exciting, action-packed, family-friendly game perfect for your weekend adventure. Players divide into two teams and eliminate opposing team members by hitting them with foam-tipped arrows. Dodge incoming arrows by hiding behind inflatable barricades.

Horse-back riding

Have an enjoyable evening of riding through 100 acres of trails featuring rolling hills, valleys, streams, and woods. Experienced riders on their own horse can spend the day roaming the trails. They also offer private guided trail rides for the inexperienced.

Military Off-Roading

“It’s like a hay ride on steroids!” is how Crown Haven describes this experience. Go off-roading through the hilly, wooded countryside in a massive U.S. Army M923 A2 military transport.
