

Enjoy summer evenings at the baseball game

VOTED BEST SUMMER COLLEGIATE BALLPARK BY BALLPARK DIGEST!

This summer find your way to Kokomo Municipal Stadium to catch a Kokomo Jackrabbits game. The Northwoods League team's regular season runs late May to early August.

Games at the 4,000-fan capacity Kokomo Municipal Stadium are about so much more than just baseball. At every Kokomo Jackrabbits home game, the players interact and meet with fans. You can plan on getting the players' autographs, pose for photos, and meeting the Jackrabbits mascot, Jax.
