

# UNIQUE ROADSIDE ATTRACTION

## OLD BEN:

### The World's Largest Steer

**Old Ben weighed 125 pounds at birth in 1902 and between 4,585-4,720 pounds at death in 1910.**

**6.5 feet tall and 16.25 feet long from nose to the tip of his tail.**

Many circus owners and sideshow representatives tried to buy him, but his owners turned down all offers, preferring to show him themselves in a private tent at fairs all over Indiana and even at the State Fair for several years. He is now housed in a pavilion in Highland Park in Kokomo, Ind., for all to see.

**Ripley featured him in his "Believe It Or Not" in 1968.**
