

# 1 million+ lights

**We Care Park in Kokomo featured on ABC's 'The Great Christmas Light Fight'**

You can see We Care Park from outer space. OK, maybe not, but it's a sight to behold and one guaranteed to infuse Christmas spirit into even the biggest Grinch. Volunteers spend months setting up the massive displays which have raised tens of thousands of dollars for charity.

A crowd gathers annually on Thanksgiving evening for a joyous lighting ceremony, with the park then open each evening through Christmas Day.
