KOKOMO CONFERENCE CENTER

& Hilton Garden Inn

A premier destination for meetings, events, and hospitality in the heart of downtown Kokomo.

The Kokomo Conference Center & Hilton Garden Inn is more than just a venue — it's a story of progress, legacy and transformation. Rising in the heart of downtown, it symbolizes Kokomo's bold future while honoring its pioneering past.

At its core is the automotive gallery, showcasing historic Haynes & Apperson automobiles, a tribute to the city that helped launch America's love affair with the automobile. Blending innovation with heritage, this new destination invites visitors to experience a city always moving forward.

Steps from dining, shopping, and entertainment, the conference center will energize downtown Kokomo, drawing visitors and planners to experience what makes us authentically Kokomo.
